Radiology Made Easy For Junior Doctors

Saturday 21st April 2012

Chester

Course Fee: £95

Course Directors

Dr Sanjay Agarwal – Consultant Radiologist

Mr Iqbal Shergill – Consultant Urological Surgeon

An intensive 1-day course aimed at all junior doctors, teaching the essential steps in understanding and interpreting the commonest radiology investigations.

Candidates undergo Practice Scenarios / Moulage using Case Based Discussion (CBDs) followed by Assessment & Feedback of Communication Skills.

It is particularly useful to those preparing for the exams.
